

## **Geisinger Behavioral Health Primary Care 4th Annual Conference**

Description: A full day conference on topics central to primary care behavioral health stakeholders. Content is appropriate for behavioral health providers, primary care providers, administrators, insurers and anyone who is interested in integrated primary care. Conference will also be supporting a poster session related to primary care behavioral health research. Format will consist of large group lecture and break-out sessions featuring activities and discussion.

**Location:** Henry Hood Research Center, Danville, PA. Lodging is available at the Pine Barn Inn (<http://www.pinebarninn.com/>)

**Date:** Friday, April 21<sup>st</sup>

**Time:** 8:00am – 4:30pm

**Registration:** <https://cmetracker.net/GEISINGERCME/Catalog?EventID=122418>

Please see attachment if you would like to submit for a poster presentation.

### **Speakers:**

Training the Behavioral Health Consultant Workforce: Current Trends & Future Directions

#### **Lesley Manson, PsyD**

Clinical Assistant Professor, Arizona State University

Assistant Chair of Integrated Initiatives

Consultant for PCBH Implementation and Auditing

Integrated Pediatric Behavioral Health Across the Pediatric Lifespan: Taking Services to Scale

#### **Rahil Briggs, PsyD**

Associate Professor of Clinical Pediatrics, Montefiore Medical Group

Director, Pediatric Behavioral Health Services

**Breakout Sessions:** Morning and Afternoon breakout sessions will be featuring discussion and practice of skills beneficial for behavioral health primary care staff. Topics include: Managing Job Stress and Burnout, Pediatric GI Issues, Women's Health in Primary Care, and Safe Zone Training presented by Allison Subasic, Retired director of the LGBTQA Student Resource Center at Penn State University.

Breakfast and luncheon will be provided.
