

MEMBER SPONSORSHIP CAMPAIGN

Thank you for being a supporter of school psychology through your membership in Division 16!

Although you already benefit from your Division 16 membership, perhaps there is someone you know – a colleague, early career professional, supervisee – who is not yet enrolled. This year, we are continuing a membership campaign where current members can “gift” a membership to someone who is not currently a Division 16 member. Although the concept is simple, the results could be tremendous in terms of increasing division engagement.

Giving a membership provides the recipient with access to all Division 16 resources such as *The School Psychologist*, *School Psychology Quarterly*, and members-only listservs. More importantly, however, it shows your support of that person’s professional development and the field of school psychology. There are currently just over 2,000 members in Division 16 (of the roughly 80,000 in APA!), but if each member sponsored just one other person our membership would increase two-fold. This means bringing more supporters to the table to advocate for the interests of psychologists engaged in the delivery of services to children, adolescents and families in schools and other applied settings.

As a Sponsor Member, you can purchase as many gift memberships as you wish at a **discounted \$20 rate**. The recipient will then be able to renew at the regular price in future years.

On behalf of the member you are choosing to sponsor – THANK YOU!
